

## PRE-K OUR WAY

Prepared for school, ready for success.

### Initial news coverage of Governor Murphy's FY2020 Budget Address from March 5, 2019

Governor Murphy on pre-k expansion in March 5, 2019's Budget Address: "We also increased investment in high-quality pre-K programs. Today, in 64 additional school districts, more than 4,400 three-and four-year-olds now have access to pre-K they lacked just one year ago. This budget maintains this commitment to our kids and our public schools – starting with an additional \$206 million to ramp-up to the full K-through-12 formula funding. There is \$68 million more to not only maintain, but to expand, pre-K. These commitments mean we can continue to be a national leader in the delivery of high-quality public education."
