## PRE-K OUR WAY NEWS

A MONTHLY NEWSLETTER **SPRING 2020**

With so much happening in our lives, communities, state and global environment, this newsletter is brief. Our purpose: **know that we've been maintaining our focus on keeping momentum on pre-k expansion for the coming school year - and beyond.**

Therefore, this newsletter looks forward with good news - something we all can use NOW!

For the third consecutive year, the proposed state budget contained excellent news for NJ's pre-K. **Governor Murphy's FY2021 budget supports pre-k in nearly 180 districts - with funding for about 30 new ones.** Thanks, Governor Murphy! **READ** some of the news coverage for the Annual Budget Address delivered on February 25.

In case you missed it, the **NJ Legislature stood and applauded pre-k expansion** on February 25! This happened during the Annual Budget Address - but it was (and is) good enough to repeat and smile again. **WATCH**

Beginning on March 10, Pre-K Our Way provided detailed testimony in support of continued pre-k expansion. The opening words: **Congratulations! New Jersey is close to achieving statewide pre-k expansion: the first major education reform and improvement in decades.** **READ MORE**

**Pre-K Our Way's newest ad with targeted communication begins this week** and will run for several weeks. This first ad wave is direct: **Thanks, Governor Murphy - let's keep the momentum!** **HERE'S THE AD**

Let's keep the momentum -  
Continue to fund pre-k expansion

**In the past three years, there's been much progress.** Pre-k expansion was established as a state priority, and funding accelerated in the first two budgets of the Murphy Administration. **Let's keep the momentum - fund pre-k expansion now!**

Stay safe.
