

PRE-K OUR WAY

Prepared for school, ready for success.

IT'S TIME TO BRING PRE-K YOUR WAY 50,000 NJ KIDS ARE WAITING

Where a child lives shouldn't determine whether or not they have access to high-quality preschool. **New Jersey has one of the best, most successful, high-quality public preschool programs in the country—but only 35 communities have it.** A 2008 law calls for NJ's state-funded, full-day pre-k to be in more communities. Unfortunately, **50,000 NJ 3- and 4-year-olds across virtually every NJ community remain waiting each year** for what was promised in 2008. That's not right!

Pre-K Our Way is a nonprofit, bipartisan effort to help people expand New Jersey's existing high-quality pre-k into their communities. Visit prekourway.org for more information and join our mailing list to bring pre-k *your way*.
